Botanic Garden & Arboretum

**Burrendong Botanic Garden and Arboretum was established in 1964 and covers approximately 167 ha. It is dedicated to the preservation and conservation of Australia's unique and incredibly diverse flora.**

There's more to Burrendong Botanic Garden and Arboretum than just plants on show! Here you will experience Australian flora like never before!

- Take a self drive car tour
- Go on a treasure hunt with the children
- Take a self-guided tour or go for a leisurely picnic
- Get ideas for your garden from our display beds and Waterwise garden
- Buy unusual plants not normally stocked in commercial nurseries
- Explore the unusual and visually stunning Western Australian collection
- Don't miss Fern Gully, our cool oasis of rainforest plants
- Take a free guided tour (11am-3pm, 3rd Sun of each month, Mar-Nov)
- Lake Burrendong State Park and Lake Burrendong Sport & Recreation Centre are adjacent to the BBGA where accommodation is available.

## **Burrendong Botanic Garden & Arboretum**

Open every day of the year from 7.30am to sunset

# Burrendong

Botanic Garden & Arboretum

There are many ways to experience Australia's amazing flora and the Arboretum offers a total sensory experience.

You can see spectacular flowers, vibrantly coloured bark, the intriguing shapes of buds and fruits as well as kangaroos, echidnas, goannas and even emus!

Gently touch velvety stems, furry leaves and slippery bark, or rub the silver bloom from a bud.

Crush a leaf and smell the mint, lemon or bubblegum fragrance or sniff the perfume of a flower.

Listen to the eerie sound of wind blowing through the Casuarinas, the happy songs of birds and the rustle of lizards in the leaf litter.
